Thanks for your interest!

The following is our standard menu and pricing. Please be aware that we can modify in any way to better fit your needs. Just ask !

Sweet tea, Unsweet tea

50-99.....\$13.00

100-250.....\$11.00

250-500.....\$10.50

500 +.....\$10.00

All events include all condiments, (tartar sauce, lemon, ketchup etc.), plates, cups, ice, utensils, everything you will need except people to eat the food and places for them to sit!

We also offer a **limited portion** menu for over **100 people** for \$1.00 less per person than the above pricing.

We serve Mississippi-raised, grain-fed catfish, (not Vietnamese sorta' catfish).

Our catfish is fresh, never frozen 4/5 oz. filets and all our other menu items are made from scratch using the freshest possible ingredients.

Serving time is limited to one hour per 100 guests

Unless prior billing arrangements are made, balance is due at end of event.

If you compare pricing you may find a cheaper price, but if you compare apples to apples, ask about hidden fees, ask if others' fish is ever frozen, etc., you will not find a better value, I guarantee it. We really do appreciate your business !
